

Triway CORE Facility Committee
Campaign Levy Donation Sheet
"Building Today For Future Generations"

The Triway Community
Plus + The Ohio Schools Facilities Commission
Equals = A Championship Educational Facility For Our Kids

We need your support to run an effective campaign for the Triway Building Bond issue to be on the ballot this November for the new 6-12 grade school building. Funds are needed for yard signs, informational flyers, campaign supplies, etc. No school monies are allowed to be spent for these items and that is why we need your support. Please donate to the Triway Cares Committee today to support the campaign for the bond issue. Any amount you can provide to assist our campaign is greatly appreciated. For more information, visit our website at www.triwaycares.org
